

TARIFOLD RANGE

Display and share information wherever with convenience. Suitable for buildings, factories, information centres or labs as the Tarifold display systems are made of high-quality materials to protect your references.

PIVOTING POCKETS

The subject of a French patent, this document-holding pocket offers flexibility, sturdiness and efficiency through its unparalleled level of quality. The colored frame both enhances the information and makes it identifiable. For optimum readability, it is made of grained anti glare PVC.

- Pack of 10 PVC pockets with metal pivots
- Clip-on index tabs (neutral/color inserts)
